*Christmas Angels Will Have a Merry Christmas!*

*This year we ministered to two families through The Family Sunshine Center. We had a Mother and two children each who have had to leave their homes because of abuse. They are being sheltered, housed and fed by the Sunshine Center. Without us, they would not have a wonderful Christmas morning. We are the hands of Jesus reaching out to provide love and joy to them. "Train up a child in the way he should go; even when he is old he will not depart from it."*
